Subject: Approval of Amended Notice of Intention to Commence Large Mining Operations, Ash Grove Cement Company, Neilson Sandstone Quarry, M/023/012, Juab County, Utah

Dear Mr. Crutchfield:

The Division approves the amendment for the Neilson Sandstone Quarry submitted in its final form on June 14, 2005. The current surety remains adequate to reclaim the site. The submitted clean copies have been stamped approved and one copy is enclosed for your records.

Please be advised that you must also receive approval from the Bureau of Land Management before commencing mining operations on federally managed land and/or minerals.

Thank you for your help in finalizing this permitting action. Please call me at 801-538-5258 or Tom Munson at 801-538-5321 if you have any questions in this regard.

Sincerely,

Susan M. White  
Mining Program Coordinator  
Minerals Regulatory Program
